Are you self-motivated? Enthusiastic and driven?

VAC 27/2026: SENIOR CREDIT OFFICER – COMMERCIAL LENDING X 1 [SUVA]

Reporting to the Manager Commercial Lending, you will be responsible for independently evaluating, approving, and monitoring commercial lending transactions to ensure sound credit decisions and effective risk management, conduct comprehensive credit assessments, including financial analysis, borrower capacity, market and industry risks, transaction structures, and security arrangements, while providing evidence-based lending recommendations. You will also support portfolio quality by monitoring existing exposures, identifying emerging risks, and implementing timely risk mitigation measures to protect the Fund's assets and members' funds.

Position Requirements

- Bachelor's degree in accounting, finance, economics, business administration or a related discipline.
- Minimum 7-10 years' relevant experience in commercial credit, corporate banking, institutional lending, credit risk or a comparable underwriting environment.
- Demonstrated experience in independently underwriting and assessing complex commercial or corporate lending transactions.
- Demonstrated ability to analyze financial statements and cash-flow performance.
- Strong experience in conducting comprehensive credit assessments and applying sound underwriting principles.
- Proven capability in developing financial models and performing scenario analysis.
- Skilled in structuring lending facilities and assessing debt serviceability.
- Strong experience in security and covenant analysis.
- Proficient in monitoring credit portfolios, assessing risk profiles, and applying risk grading methodologies.
- Strong experience in managing watchlist accounts, distressed credits, and restructuring arrangements.
- Demonstrated experience in preparing credit papers and recommendations for senior management and/or credit approval committees.
- Experience within a regulated financial institution, bank, investment fund, pension fund or similar institutional environment is highly desirable.

VAC 28/2026: SENIOR INVESTMENT OFFICER – ACQUISITION X 1 [SUVA]

Reporting to the Manager Investment Acquisition, you will be responsible for identifying, evaluating, and supporting the execution of investment opportunities that align with the Fund's growth strategy and long-term investment objectives. You will also oversee the performance monitoring of existing investments, provide strategic investment recommendations, and support effective investment governance through robust analysis, reporting, and stakeholder engagement.

Position Requirements

- Bachelor's degree in finance, accounting, economics, banking & finance, commerce, business studies or related discipline.
- Minimum of 3 years' experience in investment analysis, portfolio management, corporate finance, investment acquisitions or a related field.
- Experience in financial modelling, business valuation and investment assessment is desirable.
- Professional membership of a recognized investment or finance institution is desirable.
- Strong analytical and problem-solving skills with the ability to interpret data and support informed decision-making.
- Excellent written and verbal communication skills, enabling effective reporting and stakeholder engagement.
- Proven ability to build and maintain strong stakeholder relationships through effective engagement and collaboration.
- High attention to detail and accuracy, ensuring quality outcomes and reliable analysis.
- Strong commercial acumen with the ability to exercise sound judgement while managing competing priorities and meeting deadlines.
- Proficient in working independently and as part of a team.
- Advanced skills in Microsoft Excel, PowerPoint, Word, and Outlook.
- Familiarity with Thomson Reuters, Bloomberg, S&P Capital IQ or similar investment platforms would be advantageous.

VAC 29/2026: INVESTMENT OFFICER – ACQUISITION X 1 [SUVA]

Reporting to the Manager Investment Acquisition, you will be responsible for the identification, evaluation, execution, monitoring, and reporting of investment opportunities to drive portfolio growth and income objectives. You will also conduct investment analysis, financial modelling, due diligence, portfolio performance monitoring, and reporting to support informed investment decisions and optimize risk-adjusted returns in line with approved policies and guidelines.

Position Requirements

- Bachelor's degree in finance, accounting, economics, banking & finance, commerce, business studies, information systems, statistics, mathematics or related discipline.
- Minimum of two (2) years' experience in investment analysis, financial modelling, portfolio management, corporate finance, investment acquisitions, or a related field.
- Experience in preparing investment recommendations and conducting financial analysis would be an advantage.
- Professional membership of a recognized investment or finance body is desirable.
- Strong analytical, problem-solving, and quantitative skills with a high level of mathematical accuracy and attention to detail.
- Excellent written, verbal, report writing, and presentation skills, enabling clear communication of complex information.
- Proven ability to manage multiple priorities, meet deadlines, and deliver results in a fast-paced environment.
- Strong stakeholder engagement and relationship management skills, with the ability to work effectively across teams.
- Self-motivated and results-oriented, with the ability to work independently as well as collaboratively.
- Advanced proficiency in Microsoft Excel, PowerPoint, Word, and Outlook, with knowledge of financial databases and market information systems.
- Familiarity with Thomson Reuters, S&P Capital IQ or similar platforms would be advantageous.
- Knowledge of Excel Macros/VBA would be advantageous.
