Are you self-motivated? Enthusiastic and driven?

VAC 30/2026: MANAGER INVESTMENT DEVELOPMENT X1 [SUVA]

Reporting to the Chief Investment Officer, you will be responsible for coordinating a diverse portfolio of investment development projects, overseeing and monitoring partnership interests associated with these projects to ensure effective development, governance and delivery. You will also be required to work closely with the Construction Manager and share responsibility for all phases of project delivery, including pre-construction, construction, commissioning, and project closeout. A key focus of the role is to establish and maintain effective project controls, ensuring projects are completed on time, within budget, and to the required quality standards.

Position Requirements

- Bachelor's degree in commerce, finance, real estate management or related field.
- Postgraduate diploma in professional accounting, commerce, and economics would be an advantage.
- Minimum of seven (7) years of progressive experience in development and project management, with exposure to hotel, residential, commercial/retail, and land development projects.
- Strong proficiency in Microsoft Office applications, particularly Word, Excel, and PowerPoint.
- Sound knowledge of environmental remediation processes and permit application procedures.
- Demonstrated familiarity with key regulatory and statutory stakeholders, including the Director of Town and Country Planning, Director of Lands, iTaukei Land Trust Board (iTLTB), Municipal Councils, and the Registrar of Titles.
- Strong understanding of project feasibility assessments and business case development.
- Excellent organizational, communication, and administrative skills.
- Effective verbal, written, and interpersonal communication abilities.
- Ability to perform effectively under pressure and meet demanding deadlines.
- Proven capability to build and maintain positive working relationships with stakeholders at all levels.
- Strong prioritization and time management skills, with the flexibility to adapt to changing business needs and priorities.
